NEW GOODS! NEW GOODS!!

AT

Greech's.

I MAKE MY BOW AGAIN TO MY NUMEROUS friends and patrons, with a house full of goods and all they come.

Why, just look, the streets filled with drays all loaded with new Goods.

FOR CREECH'S.

Just received, 50 CASES OF DRY GOODS, containing a large and varied assortment; and when you talk about Dress Goods, and when you think of new styles and speak of Goods at the right prices, why, dear is mild that they are here and now opened at Creech's. COME AND LOOK AT THEM.

CALICOES, CALICOES.

I will sell you Calicoes at 5 cts a per yard; would you look at them at 10 cents? and can't you afford to buy them at 10?

Goods for Men's and Boy's Wear.

Don't you know that I keep the best assortment in the City? You that do not know it, come and look at them and to you that do know, come right along and buy what you want. I have got some for the boys, plenty for the youths. A fine supply for the young men and enough to keep the old gentlemen warm, so why not spend a few moments at Creech's and call(?) yourselves?

"There the remote Bermudas ride
In the Ocean's bosom unespied;
From a small boat that rowed along
The listning winds received the song.
COME TO CREECH'S.

Cloaks and Shawls, Cloaks and Shawls.

Did I say Cloaks and Shawls? That is just what I mean. Why I will sell them to you for (1,500) the you want them cheaper? same quality. Can find them? Do you want them finer? I am just the man that has them. 5, 7, 9, 10, 12, 15, 18, 20 and 30 dollars; do you want them finer still? Just say so, and I am the man to order them.

Boots and Shoes, Boots and Shoes.

Just received 100 Cases for Ladies, Misses, Boys and Children; we just put that naked foot into a boot or shoe, for it will soon be cold weather, and my friend, I see your boots are wearing out, and your shoes have a hole in them, so you had just as well come to Creech's and buy a new pair. They look better and fit better, any way; they keep your feet dry and preserve your health.

Hats, Hats, Hats.

All right; Prices right; Styles right; and did you know that Creech's is the place to buy hats right? Guess and look.

Ladies' and Misses' trimmed and untrimmed Bonnets; Would you not do well to spare a few moments and come and look at them?

I beg leave to return my sincere thanks for the patronage I have received for the last 20 years at your hands, and I hope, by strict attention to business, representing goods as they are and in every instance giving you the worth of your money, to continue to share a liberal portion of your patronage.

THE STANDARD AND CHIEF JUSTICE PEARSON.

The *Standard* of day before yesterday, makes a very feeble attempt to be facetious and grave at the same time, in a ridiculous effort to answer the editorial *expose* of Chief Justice Pearson's conduct in the matters of *habeas corpus* before him, just before and after the elections, in our paper of Tuesday last. What is said by the *Standard* in no way affects the *grossness* of our editorial; indeed, this is not denied, and what is said is only an additional empty and futile effort, to apologize for a great crime, seldom if ever perpetrated by a Judge in this country or England. We sincerely trust that no Judge will ever repeat it in this country. It was a wilful, deliberate and dangerous blow at the liberty of the citizen, made too under circumstances of great aggravation and in aid of a conspiracy to carry the late election in this State by lawless armed force.

We repeat the charge. It is this: Chief Justice Pearson wilfully and wickedly refused to give efficiency to the writ of *habeas corpus* in a great number of cases, by refusing to exercise the means provided by law for that purpose. This offence was aggravated by the fact, that it was done at a time of imminent peril to the parties seeking relief, and in aid of an extensive, bold and dangerous conspiracy of the Executive of the State and many others, to subvert the Constitution of the State by force of arms and to destroy, for a special purpose, public and personal liberty.

We mean no child's play. We are in dead earnest. This charge we well understand, and can make good by the records of the Court, by the sworn testimony of scores of witnesses without regard to party affiliations, by facts and circumstances alike pointed and significant, and many of them shocking to law abiding and liberty-loving people of all parties.

We repeat, that the Chief Justice ought to be impeached, not so much with the view to punish him, as to set a high example for all future time, and to give the world to understand that no Judge, however high his official position, can, with impunity, timidly shrink from duty, or wilfully refuse to discharge one so vital to the highest, most sacred, as well as the dearest rights of every freeman.

If the apologists of the Chief Justice suppose that we are alone in demanding his impeachment, they are sadly mistaken. The popular demand for his impeachment is greater and more determined than for that of Gov. Holden. The people did not expect much from the latter; they have always distrusted his patriotism and integrity, and he got into the office he fills and disgraces by sinister means and accident; but they did expect more from the Chief Justice. His former record in favor of civil liberty was bold and stainless, (whatever else may justly be said of him,) and besides, he was its peculiar guardian. He sat in its last bulwark and he not only deserted his post of honor and duty in the hour of peril, but threw wide the gates of the fortress to a band of rapacious conspirators, whom, under the circumstances and because of his treachery, the strong arm of federal power alone could subdue. The people, justice and sound public policy, demand the impeachment of the Chief Justice, and he and his apologists may squirm and rave, misstate facts and misrepresent motives as they will, but the damning stain and crime remains ineffaceable. We have no animosity to gratify in this grave matter, but our motives, wishes and likes or dislikes and those of any other persons are things of trifling moment—the grave question is, has the crime been committed? That it has, is beyond serious controversy.

We are not inclined to advert to other grounds of impeachment now; these can be suggested at a proper time. We only add, that if the Legislature fails to impeach this high functionary, it will stop short of its duty, and will fail to respond to the popular will expressed in an unmistakable manner at the ballot box.

THE ELECTION RETURNS.

We have given all the telegraphic news from the elections which have come to hand, but the returns are meagre and backward. The result when fully ascertained will be as favorable to the Democratic cause as could have been reasonably anticipated, when we consider the large odds arrayed against a fair and impartial election.

A very strong Democratic point North or South, Federal bayonets and Federal supervisors of the elections were sent to make up for any lack of efficiency in the Radical local programme.

Some time must elapse before we can get full satisfactory returns. In Louisiana, the entire election, as in South Carolina, was under Radical manipulation, and we should be surprised if the results should be the same, though the Democracy are evidently in the ascendant.

THE LABOR QUESTION.

The difficulty of controlling and systematizing the colored labor of the South and of rendering it skillful and efficient, has served to discourage many planters and at the same time to awaken anxieties as to the future. This state of things is leading to inquiries as to the propriety and utility of introducing a cheaper and a more manageable labor. Very naturally these inquiries turn to the Chinese.

We have long thought that it must come to this, if the colored population continue to manifest an unwillingness to cultivate the soil and to make skillful farmers—Under the influence of bad teachers, they have shown a growing disposition to congregate in the towns and villages, to become politicians and to seek a precarious living by day labor, huckstering, &c., to the neglect of the more moral, safe and sure employment on farms. The consequence is that licentiousness, concubinage, petty thefts and immoralities are largely on the increase among them, which tend not only to make them less valuable members of society, but must terminate in the rapid deterioration of the race.

But it is manifest that the Southern planters have not yet awaked to the real pinch of the situation. Our idea is, that the great matter to be determined upon, before the question of more labor and cheaper labor is discussed, is, how shall the labor we already have, be utilized and rendered more skillful and profitable. We think there is labor enough of the right kind in the South, for the amount of capital we have to employ it, and that the great matter of interest with us is to ascertain how can it be best and most usefully employed, so as to render the least possible amount of hired labor necessary for us.

The employment of cheap and abundant labor, as in the past, so in the future, will tend to the cultivation of a large area of land, cutting down our forests and wearing out lands, instead of the cheaper and better system of reducing the area of land in cultivation and making it richer, so as to require less labor. If our farms were reduced in size and thoroughly enriched and improved, our planters would grow rich by the greater productiveness of their farms and the less expense necessary to cultivate them. We see no good, but much evil to result from the introduction of the Chinese among us.

LOUISIANA.

A telegram from New Orleans states that there are 300 persons supposed to be counting the city vote, who receive $8 per day. The *Times* thinks, that the official return will, therefore, be in about Christmas, and as they are chiefly Radical, no one apprehends that the delay will lie on their majorities.

A special to the *Picayune*, says that Baton Rogue is in the hands of Federal troops who are arresting white citizens on the affidavits of negroes rioters. On the night of the 7th negroes, with arms in hand uttering threats of violence, were sent home quietly, while whites, found without arms, were arrested and placed in close confinement. On the 8th and 9th further arrests were made of persons who were not present at the riot. Martial law is partially in operation.

It is said that Marshal Packard, of New Orleans, received a telegram on Monday night from Baton Rogue, stating that the supervisors and counters of the ballots were attacked by an armed mob. The ballots were saved, but four were killed and twenty wounded, Marshal Schoonmaker was wounded, official candidates for legislation were killed. More trouble anticipated.—About 30 leaders arrested. Later accounts indicate considerable trouble. More troops are ordered.

GOV. HOLDEN'S PROCLAMATION.

It will be seen that Gov. Holden has to-day proclaimed that the Counties of Alamance and Caswell are no longer in insurrection. He ought to have added, that they never were. He has delayed almost to the point of the meeting of the General Assembly, to do what he ought to have done months ago. What he says about the general quiet and peace prevailing at present, could with as much truth have been proclaimed before he declared those Counties in insurrection, with the single exception of the County of Robeson, where his myrmidons have kept the people in constant alarm.

Every citizen of the State will endorse the hope expressed by the Governor, that peace and good order may continue; that partizan bitterness and rancour may abate &c. The difficulty however is, that when Gov. Holden expresses himself thus, to believe that he is sincere, since none labored so hard as he has done to promote disorder and strife, and partizan bitterness and rancour, and none have contributed so much to destroy the credit and prosperity of the State, as he and his party. Now that the Conservatives have the control, will he and his party aid in promoting the prosperity of the State by curtailing the public expenditures?

LIFE OF GEN. LEE.

The family and friends of Gen. Lee have selected Col. Charles Marshall of Baltimore, who was his private Secretary during the war, to write the life of that great man—Col. Marshall's literary reputation and general ability authorize the expectation of a volume of great merit and permanent value.

The price of gas in Wilmington, after December 1st, will be $4 per thousand feet. This is a reduction of 20 per cent.

Wilson had six marriages last month.

On Tuesday last at Arcola, Warren county, Richard Shearin had his hand and arm badly torn by being caught in a steam cotton gin.

Wilson county has 202,036 acres of land; $260,798 real estate, and personal estate to the value of $617,413. The debt of the county is $29,808.16.

A colored man named Jim Heuing alias Chas. Isham, who stole $450 from Mrs. Middleton at Magnolia sometime ago, was arrested in Wilmington on Tuesday and sent back to Magnolia.

RADICAL CONVENTION.

The Radical Convention for the 4th Congressional District assembled at Metropolitan Hall to day. The attendance was not very large. Most of the delegates of course were colored persons. Col. H. B. Guthrie of Orange was made Chairman and J. A. Moore of Granville, white, and Wm. Cawthorn, colored, of Warren, were appointed Secretaries.

Dissentions, cries of order and general disorder ruled the hour. Jos. W. Holden and Willie D. Jones of Wake, T. L. Hargrove of Granville and Madison Hawkins of Franklin were put in nomination. Strong feeling was evinced by many of the speakers. Not a single colored man was brought forward for the position, although the colored Republicans of the District are about ten to one of the whites. The defeat of Jim Harris, will be a sufficient plea with the white Radicals to rule out the negroes for all time to come.

After a very full expression of sentiment on the part of the delegates, Joseph W. Holden received the nomination, which, as usual, was afterwards made unanimous.

We consider the nomination about the best that could have been made for the success of the Conservatives of the District. It will not be difficult, we judge, to beat "my son Joe," by a strong majority.—Joseph must not only bear the burden of his own sins, which are enough to sink a seventy-four gun ship, but those of his father besides.

PUBLIC EXECUTIONS.

There has been much said, especially in the North, against the practice of the public execution of criminals condemned to be hung, because of the bad influence, it is alleged, of such executions.

There are two sides to this question. There is something positively revolting to our sensibilities to witness the hanging of any human being, and we have been surprised at the vulgar taste which prompts so many persons, and especially females, to go in crowds to witness so horrible a spectacle. But the design of the law is to correct society by its harsh discipline and its harsher punishments. If so, it strikes us, that the infliction of the punishments of the law, ought generally to be public. How else can the vicious be restrained by the punishment of offenders?

These thoughts have occurred to us, since the private hanging in this city of the negro, Stinson, for the high crime of rape. Large numbers crowded around, but few were permitted to witness it. Hence the solemn, awful influence of the penalty of the law, failed to produce any salutary effect. No execution in this city, has ever produced so little effect, so far as we can judge. Every one was satisfied of his guilt, but few seem to have been impressed with the great turpitude of his crime, because they did not see the infliction of the punishment which the law demanded.

EDITORIAL NEWS ITEMS.

OFF FOR LIBERIA.—One hundred and ninety two colored emigrants from Bertie and Washington Counties in this State, sailed for Africa last week on board the ship Golconda of Baltimore. The emigrants were well supplied with clothing farming utensils, nails &c. They expect to join their friends who sailed last November and settled on St. Paul's river at Arthington and Brewerville. Many emigrants desire to go next spring.

The congregation of the 4th street M. E. Church in Wheeling, Va. during the preaching of a sermon last week, became greatly alarmed and fled from the building, under the apprehension from a noise heard from the ceiling, that the roof was falling in.—It was afterwards discovered that the noise proceeded from the lifting of the ventilators which had been recently varnished.—The church was very warm and the heat had effected the ventilators and contracted the cords used to raise them. The alarm was wholly false. The wonder is that many were not hurt by their precipitancy.

A youth of 16 of unusual precocity and fond of conversing on philosophical subjects and abstruse questions of theology, became deranged with the anxiety to see into the future, and last week committed suicide by taking laudanum. He resided with his parents in New York city, and was named George Henry Starr.

DISTRESSING.—In the month of September last, Rev. Mr. McCorkendale of Scotland, Mr. Randall of Quincey, Mass. and Dr. Beane of Baltimore with their guides, perished in a snow-storm in an attempt to reach the summit of Mont Blanc, Switzerland. A recent search has been made for them and the result was the recovery of the bodies of Mr. McCorkendale and Dr. Beane. Both were found sitting and must have imperceptibly passed into the spirit land, out of a frozen sleep. Notes of the situation for several days before death ensued, were found on Dr. Beane's person.

At the earnest call of the pastors of the several Episcopal Churches of Richmond, Va. an association has been formed among the Episcopalians of that city to promote missionary enterprise and general church work by procuring preaching for the destitute, working in Sabbath Schools and publishing pious reading &c. It was entered into with spirit.

It is said, that owing to a little mistake, matters were not so pleasant between Mrs. Grant and Mrs. Cox, before Gen. Cox resigned his position of Secretary of the Interior.

The health of Chief Justice Chase is still in doubt. Some say he is improving others say not. Some seem determined to kill him before his time, in order to fill his office with a far less able and worthy man.—We hope that the Chief Justice will still live in spite of them, to prove a brake-water to the strides of unconstitutional and despotic power.

Rev. Stuart Robinson, D. D. recently delivered a most valuable discourse at Hamp Sidney College in Va. on "Christian Ambition."

ROBERT E. LEE.

Says the Richmond *Whig*: It is now asserted on good authority that General Lee's middle name is "Edward" not "Edmund" and that he was born on the 2nd of January 1808, and not on any other date heretofore stated. It would be definitely ascertained before the final interment.

LETTER FROM GEN. LEE'S PHYSICIAN.

[From the Fredericksburg Herald.]

We have been permitted to copy the following extract from a private letter from Dr. H. T. Barton, General Lee's attending physician, to his brother, Judge W. S. Barton, of this city:

LEXINGTON, Oct. 13, 1870.

MY DEAR BROTHER:—I have been so engaged for two weeks with our dear General that I have been compelled to leave many other matters unattended to. As the papers have contained very inaccurate accounts of his case, and you will desire to hear specially from me our opinion, I will state in a few words.

He had but partially recovered from his rheumatism, affecting the muscles of his arms, back and chest, chiefly, and in 1853, and about a year ago, attacking the pericardium, the sac containing the heart but never the heart itself, whose regular rhythmical beat has been maintained, so he never examined by us. After a very fatiguing day at college, he attended an important meeting of the vestry, and was detained for several hours, but gave no evidence of being unwell. As he walked into his dining-room, where they were waiting tea for him, he took his seat, and was discovered to have lost his speech.

I was summoned at once and found his pulse rather weak, with cold extremities, &c. Commenced the use of remedies at once, and sent for Dr. Madison, who continued to attend him to the end. He was in a short time able to speak a little, sometimes in sentences, but generally only in reply to questions. He remained thus disposed to rest for most of the attack; could be easily aroused and almost to the very last seemed to understand all that was said to him, and responded by words or signs, without any great depression. He evidently neither expected nor desired to recover. After improving almost steadily till last Sunday he began to retrograde, and on Monday evening the 10th instant all dying symptoms set in, and we had little hopes after that time. *We consider his protracted grief at the condition of his country and the continued oppression of his strong feeling, the chief remote cause*, and excessive fatigue and mental application, the immediate cause of congestion of the veins of the brains; and though not producing apoplexy, of which there was no evidence (he moving every muscle almost to the last hour,) this congestion caused most serious loss of nervous power, and resulted in lesion of the substance of the brain itself.—Our whole people are more paralyzed than he was. I never witnessed aught like it.

It is reported that the prospect for cheap mackerel, cod and herring this coming winter is excellent. They are very plenty at the banks of Newfoundland.

REDUCTION OF FARE.—We are authorized to state that $3 50 will be the price of round trip tickets from Raleigh to Wilmington to all visitors to the Cape Fear Agricultural Fair, and a like cheap rate from all other points on the North Carolina Railroad. 5it

WELDON FAIR.—The fair at Weldon opened on Tuesday last. Our "local" is there, who will give us an account of it.

OUR GIRLS.—The old bachelors of the city and our young sprigs must look sharp. In two days, three of our girls have been taken away by worthy young gentlemen of other places. Well, there are others left, and they have hearts to be won.

FAIR AT WILMINGTON.—The Cape Fear Agricultural Fair at Wilmington, opens on next Tuesday. Every effort has been made to get up a clever exhibition. It will be seen that the Rail Road fare has been largely reduced, and a large number of visitors is anticipated.

LEE MEMORIAL AT NEWBERN.—We stated the other day that the memorial services of Gen. Lee at Newbern, were very interesting. We regret that our space will not allow us to spread the poem of Rev. L. C. Vass pronounced on the occasion, or the beautiful speech of Maj. Hughes, before our readers.

A gold ring was found yesterday morning near the Market House. The owner who can identify it, can obtain it by applying to this office.

The Worrell Sisters may congratulate themselves on having a profound musician and finished artist for their leader, in Mr. George Kuhn. Such a one is rarely to be found in a traveling Company.

A NECESSARY MAIL ROUTE.—We have had for months a daily through train by the Chatham Railroad to Haywood and thence to Fayetteville for travellers, but no mail on that route. It is an important mail route. Chatham and Moore counties are almost isolated for the want of mails. The region through which it passes is a cotton country, and the people feel the want of mails. If the matter were properly presented to the Postmaster General, we think he would give them a daily mail. We hope soon to have a representative in Congress who will urge the matter.

"*Spalding's Glue*" mends Furniture, Toys, Crockery, all ornamental work.

A NEW ADVERTISING DODGE.—Every time a lady who uses fragrant *Sozodont* opens her mouth she advertises the article. The state of her teeth is a certificate of its excellence. No spot darkens their surface, no impurity clings to them, the cushions in which they are set are rosy, and the breath that swells through them is sweet as the breeze of June.

$1 000 REWARD is offered by the proprietor of Dr Pierce's Alt. Ext. or Golden Medical Discovery, for a medicine that will equal it in the cure of all severe lingering Coughs, Liver Complaint or Biliousness, and all diseases arising from impurity of the blood, as Eruptions, Pimples, Blotches and Boils. Sold by druggists. Pamphlet sent free. Address Dr. R. V Pierce, Buffalo, N.Y.

Pianos—Opinion of an Artist.

It gives me great pleasure to testify to the superior quality of the Piano I played upon at the performances of the Worrell Sisters, furnished by Mr James Pearson at the Tucker Hall in Raleigh. For elasticity of touch, and great volubility and brilliancy of tone I consider it unsurpassed. Mr P. invited me to his ware rooms to try some other Pianos of the same make, the Great Union Company of New York. I found them all very superior instruments.
GEORGE KUHN,
Professor of Music, and also Leader of the Worrell Sisters

A Card to Sensible People.

Rational reader, if the aspect of the weather was uncertain, you would not be foolish enough to venture out without an overcoat or an umbrella. Have the forse at, then, to protect yourself at this dangerous season with something more important than either of these articles. Strengthen your stomach and nervous system; regulate your liver and your bowels, tone all your organs and cheer your animal spirits with that agreeable cordial tonic and alterative, Hostetter's Stomach Bitters. So shall you surely escape the diseases which fasten upon the feeble and debilitated. "Suffer and be strong" says the proverb; but "Be strong that you may not suffer" is the wiser maxim—and of all strengthening preparations this is the safest, the surest, the most genial. As a remedy, as well as an antidote, for dyspepsia, fever and ague, and liver disease, there is no combination of vegetable specifics at present known which even approaches it in efficacy.

Anticipate the enemy. The elements of innumerable diseases are afloat in the raw, damp, mephitic winter air. Will you defend yourself against them or not, good reader? That is the question. A bottle or two of the great preservative MEDICINE OF THE AGE, Hostetter's Bitters, will so strengthen and brace up your bodily powers as to enable them to "stand a siege to scorn." The morbid matter which was exhaled in perspiration through your pores in summer finds no such free egress now. A powerful counteracting agent is therefore needed, and you have it in Hostetter's Bitters. They neutralize the materies morbi from which disease originates, and regulate all the secretive organs.—Nothing can be more harmless or more healthful—nothing so potent to prevent or cure biliousness, dyspepsia, fever and ague, constipation and general debility, as this wonderful corrective.

PROCEEDINGS OF THE STATE BAPTIST CONVENTION.

SECOND DAY—THURSDAY.

Pursuant to adjournment the Convention assembled at half past 9 o'clock.

After reading the 35th chapter of Isaiah and singing the 106th hymn, a prayer was offered by Rev. F. M. Jordan.

The Secretary read the proceedings of the Convention of yesterday which were approved.

Rev. R. G. Covington, Agent of the Domestic Mission Board, Southern Baptist Convention, was recognized and welcomed; also Rev. T. J. Stradley.

Rev. J. L. Carroll moved to strike Article 5th from the Constitution. Lost.

On motion, the Secretary was ordered to publish a list of the life members of the Convention.

Rev. Mr. Ammons, Agent of the Sunday School Board of the Southern Baptist Convention in this State, addressed the Convention at some length upon the subject of his labors during the past year in the western portion of the State.

Rev. Mr. Teasdale, Corresponding Secretary of the Sunday School Board of the General Convention next addressed the Convention upon the importance of the establishment of Sunday Schools &c. His remarks were earnest and to the point.

At the conclusion of his remarks a collection was taken up for purposes connected with the operations of the Board.

Rev. Mr. Royall submitted a report from the Board of Education, which was read and made special order for to-morrow morning at 10 o'clock.

On motion of Rev. J. S. Purefoy, a Committee of three, consisting of Messrs. J. S. Purefoy, Mills and Carroll, to inquire into the propriety of establishing a Boarding or Club House at Wake Forest College for the benefit of beneficiaries, was appointed.

Rev. Mr. Hiden, from the Committee appointed to examine the matter, reported in favor of abolishing the Annual Missionary Sermon. The report was adopted.

Rev. Mr. Hufham, from the Committee on Agencies, submitted a report which was read and laid on the table until half past 3 o'clock this afternoon.

Rev. Mr. Hiden, from the Committee on Periodicals, presented a report which was read and laid on the table for the present.

Rev. Mr. Walters moved to reconsider the vote adopting the report recommending the abolition of the annual Missionary Sermon. After much debate, the motion to reconsider was put to a vote and adopted.

After a lengthy discussion upon the merits of the report, a vote was had and the report was rejected.

The doxology was sung and the Convention took a recess until 3 o'clock, P. M.

AFTERNOON SESSION.

The Convention was called to order by the 1st Vice President, Rev. Dr. Pritchard.

A prayer was offered by Rev. A. Weaver, and the hymn, "Tis Religion that can give," was sung.

Mr. Thos. Starke, corresponding member of the General Association of Virginia was recognized and welcomed.

The report of the Committee on Agencies being the special order for this hour it was taken up and discussed.

Rev. Messrs. Overby, Covington, Hiden, F. M. Jordan, James, Davis, Hufham, Weaver and J. S. Purefoy participated in the discussion of the matter. Pending any final action the Convention, on motion, adjourned.

For the Sentinel.

ENGROSSING CLERK—COL. FARIBAULT.

MR. EDITOR:—I hope the many friends of Col. G. H. Faribault will not be backward in urging upon the General Assembly, the strong claims which he presents for their support as Engrossing Clerk.

He is a good penman and business man and a gentleman of integrity. As an officer and soldier in the late war, he bore himself nobly during the struggle. He was an old Democrat and is an ardent supporter of the Conservative cause. Like most of us, the war ruined him pecuniarily, and he has a large and helpless family to support. He merits the position and I trust the General Assembly will confer it upon him. A CONSERVATIVE.

STATE ITEMS.

J. H. Everitt and three of his acomplices in the robberies committed on the Raleigh and Gaston Railroad, were brought to the Penitentiary on Wednesday.

The store of P. B. Key of Enfield was entered by robbers on Sunday night last, and a quantity of goods stolen. Several negroes have been arrested and some of the goods found.

The Newbern *Times* says, that Dr. Arendell of Carteret was not nominated by the Republicans of that county for the Senate, but by about six disaffected members of the party, in the rear of a barber's shop.

The construction expenses of the Gas Company of Wilmington for the past fiscal year amounted to $80 000.

A CURIOUS CASE.—A post mortem examination was held on the body of Mrs. Elmira Steele, of Paterson, whose death by suicide was reported yesterday, which elicited the fact that the brain was sufficiently softened from excessive indulgence in liquor to have caused death, although, from the circumstances, it seems the direct cause was the power of imagination. She went to Dr. Moore's drug store for a dose of poison, but the clerk, having been notified that she had threatened to take her life, gave her two powders of tartar emetic, labelling it in large letters "poison." It seemed the woman took the emetic, and in the retching that followed death ensued.—*New York Herald, Nov. 3.*

ELECTION FOR 1870 OVER.—The Polls promise to close in New York and Brooklyn, and indeed in the State, and in all the States, upon one of the most quiet elections ever held in the country. The President can now call off his soldiers and his 10,000 U. S. Superintendents and U. S. Marshals, and leave the people to pay the enormous expense incident to this uncalled for raid. These troops seem to have been set upon Democratic cities while Republicans vote early, late, and as often as they choose.—See elsewhere for a record of 200 negroes registered in Baltimore, and living in the city of Washington, under the eyes of President Grant.—*N. Y. Express.*

HON. A. H. STAPHENS.—The Washington *Chronicle* refuses to a lengthy letter which it has received from Hon. Alexander H. Stephens, of Georgia, which it declines to print, the main purpose of which letter, however, it says, *is* to deny the authenticity of the celebrated speech said to have been delivered by him in the Georgia secession Convention in 1861. He declares that he never made any such speech, either in that Convention or anywhere else. "*It is a forgery—a gross fabrication from beginning to end.*"

The value of the annual products of the iron mills of Pittsburg is almost $30,000,000. The actual sales of the past year, as exhibited by the United States assessor's books, aggregated $16,708,289.

A PROCLAMATION

By His Excellency the Governor of North-Carolina.

Executive Department,
RALEIGH, November 10th, 1870

BE IT KNOWN, That the proclamation issued from this Department, dated March 7th, 1870, declaring the County of Alamance in a state of insurrection, and the proclamation issued from this Department, date July 8th, 1870, declaring the County of Caswell in a state of insurrection, are hereby revoked, and it is hereby declared that said proclamations shall not have further force or effect.

I take this occasion as Chief Magistrate of North-Carolina to express my gratification at the peace and good order now prevailing in the Counties of Alamance and Caswell, and generally throughout the State. I trust that peace and good order may continue; that partizan rancor and bitterness may abate; that our people of all classes and conditions may cultivate harmony and good will among themselves; and that the whole people of the State, without respect to party, may unite fraternally and cordially to build up North-Carolina and to elevate her to the proud eminence which she once occupied as a member of the American Union.

Done at our City of Raleigh, this the 10th day of November, one thousand eight hundred and seventy, and in the year of the Independence of the United States the ninety-fifth.

ELECTION RETURNS.

WASHINGTON, Nov. 10.

Nevada elects a Democratic Governor, balance Republican including Congressman.

Both sides claim the New York Legislature.

The Republicans have carried Michigan by twenty thousand, and forty majority on joint ballot in the Legislature, securing the Senator.

The citizens of Clarendon, Ark., fired one hundred guns over Hawk's three th mand m jority.

A negro, Butler and Maynard come to Congress from Tennessee.

Republicans claim the ninth Kentucky District.

Browns majority in Missouri is thirty thousand.

Alabama certainly elects three Democratic Congressmen, probably four.

Farnsworth, very liberal Republican beaten by a Temperance man in Illinois.

Not a single row in Alabama. Half of the State is reported, which includes Radical strongholds. Grants majority already overcome — Democrats have a large majority in lower house. No election for State Senators.

The Temperance man who beat Farnsworth is a Free Trader; Democrats supported him.

NEW YORK.

NEW YORK, Nov. 9.—The *Herald's* special writing from Versailles on the 8th says, something important is expected; the Prussians are preparing. Reports reach Versailles that fifteen southern departments of France and Algeria have seceded from the Tours Government. The North German Parliament meets on the 20th to provide measures for carrying on the war. Bavaria, alone, of the South German States, present serious factions against German unity.

A correspondent of the *Herald* interviewed Napoleon and says: "He was not betrayed, that disaster was the result of mutual and general self deception. Napoleon has no ambition for his own and little for his son's restoration. He thinks his son will be happier in private station. He hates a republic but loves France. France needs peace. The Emperor has no property in America and he [illegible] there. He likens recent events to a [illegible]."

MONTGOMERY, Nov. 9.—The returns have come in meagre, but it is now believed that the Democrats have carried the State and elected three members of Congress without doubt.

FOREIGN.

LONDON, Nov. 10.—Balloon advices up to the 8th states that Favre writes to the foreign representatives of France that Prussia is responsible for the failure of the armistice. The document is very strong.

The French fleet sailed past Cuxhaven going to the North Sea. The Bonyean lights off Kiliz have been removed and no Pilots are forbidden to leave the ports. Garibaldi has quarrelled with the franc-tireurs. The Liberals have carried North Germany as far as heard from.

At the Lord Mayor's banquet, Lord Granville said that England's impartiality was equally dissatisfactory to Prussia and France.

MARKETS.

NEW YORK, Nov. 10.—Flour quiet and heavy; Wheat dull and declining; Corn dull and heavy; Pork, mess 24½ to 24¾; Lard in fair request; Cotton quiet, Uplands 16. Orleans 16½, sales 1,000 bales; Spirits Turpentine 45; Rosin unchanged; Freights steady.

LIVERPOOL, Nov. 10.—Cotton dull, Uplands 9. Orleans 9¼, sales 6,000 bales.

Thursday Night Dispatches.

WASHINGTON.

WASHINGTON, Nov. 10.—The latest lists show 108 regular Democrats elected to the next Congress.

CALIFORNIA.

SAN FRANCISCO, Nov. 10.—All the railroad robbers have been arrested. One turned State's evidence. There are hopes of the recovery of the money.

VIRGINIA.

ALEXANDRIA, Nov. 10.—Braxton is certainly elected.

FOREIGN.

LONDON, Nov. 10.—To-day's war dispatches report the repulse of French successes around Paris. Several Prussian camps have been captured.—Garibaldi is again victorious, having routed five thousand Prussians.

The latest news from the army of the Loire reports three days fighting without decisive results. The French losses are frightful, but the enemy has been driven ten miles.

TOURS, Nov. 10.—The French were successful in a series of engagements near Orleans. The French are pressing towards the city. The Prussians have difficulty in obtaining provisions.

The journals of Lille announce that Bourbaki, who has not resigned, has organized a large force.

The Prussians were hastily evacuating Orleans yesterday. They left their sick and wounded.

The Prussians who were strongly entrenched at Chilmiers, were dislodged with heavy loss, and retreated to Arthenay. The French moved forward to Gaming where they will occupy strong positions until the entire army of the Loire advances.

LOUISIANA.

NEW ORLEANS, Nov. 10.—The evening papers publish exciting news from Donaldsonville. A negro mob, five hundred strong, is reported to be in possession of the place. Judge Wm. C. Lawes and Mayor Mark Schonberg are reported to have been killed. The whites who could not escape, were arrested and imprisoned. The rioters threatened to burn the town, and hang several citizens.

The officers of the steamboat "Allen" which passed Donaldsonville at 12 o'clock last night report the place on fire.

The Donaldsonville riot creates great excitement here. A call with a hundred and fifty signatures is published under the following caption: "Citizens of New Orleans, come together. Donaldsonville is in flames. Our citizens are being murdered. Let us meet on Canal Street to-night at 7 o'clock to devise means for our protection."

THE MOST VIGOROUS AND PROGRESSIVE COMPANY IN THE WORLD.

The Equitable

LIFE ASSURANCE SOCIETY OF THE UNITED STATES.

120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,

CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $13,000 000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $5,500,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4 000 000.
6. Such payments are made in cash, and not partly in cancelled notes, as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $3,500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured. Equitably, instead of being wholly or partially distributed among the stockholders, as is the case in all "Stock" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start, and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealings equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies."
17. The amount of new business during the year ending "December, 1, 1869, was $51,021,141.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000 000 greater than any other company.

For the Central and Northern Counties in

The NATIONAL, under the management of his father, P. F. Pescud, Sr., secured very many warm friends who obtained policies for large amounts, and the fact that it has issued upwards of

10,000 POLICIES,

and nearly doubled its immense Capital of $1,000 000

in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when contrasted with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.

I will be gratified to take applications from my friends and all wanting Policies, and shall want many active and reliable Agents, in the fields assigned me.

FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" so well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen & Co., Newbern, with its improvements.

Price $175.00.

This invention of power whereby all friction is overcome, the simplicity economy and durability, astonishes all who see it; and the more so that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 150,000 lbs. thus giving much more strength than is required. With this Press two men can pack a bale of Cotton with ease in eight minutes weighing from 400 to 500 lbs.

One man can do the work, only requiring longer time.

It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets, and frequent handling of the lint. It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

Press complete—Depth Cotton Box 8 feet. Size Bale 44 feet 26x28x36in; wt. Bale 400 to 550 lbs.

THOS. H. BRIDGE.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!

No more Smoke!—No more Grease!

No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it than any other illuminating compound. Soft, clear, steady and unobjectionable to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 19th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

BENEFIT LIFE INSURANCE COMPANY

OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON-FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES, on the Mutual Cash Plan, declaring Dividens annually after the first annual premium paid. Assets exclusively Cash with no portion of its reserve fund in premium notes, consequently the "reserve" is stronger than that of any Company doing business in this State. No "*Lapsed or Forfeited*" policies are *reinstated* as an inducement to new business, but reference is made to the *extra* amount, paid on such surrendered policy as shown by New York Insurance Reports, 1869 in excess of having paid larger surrender values, than has been given under a "minimum Cash Surrender Value." *Death* losses have not occurred, out of several hundred policyholders in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. "*Profits*" *Dividends* are not declared, but Dividends are given from the actual surplus in accordance with the Company's Charter. The attention of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurances, of the

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of value is established by law.* Companies *to meet* all their liabilities.

Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the Brooklyn Life.
